I think with the amount of work required, withdrawal from this class, should be a

file add. f course. I also think that the tests themselves (the chapter test) could be better reflected what we learned in class. Also, it would be good to include more (more) writing exercises because we can't use and practice.

could have been a bit more organized - I was often confused about what was due & when. I also had to spend hours & hours every day completing assignments when I think 1-2 hours/night would have been sufficient.

would be more appropriate

"I think the professor did a great job at trying to get us engaged with the material which I felt is hard to do for a foreign language. The course had too many online assignments.

Comment

The professor knew what she was doing, was organized, and was helpful.

Excellent instructor.

Really enjoyed Anne-Caroline, she made everyone feel very comfortable.

The quizzes took time to be returned, but other than that everything was great.

Awesome instructor, fun class to be apart of.

She cared!

Anne Caroline was a great professor - very willing to help students and was very understanding about any issues.

I think we could have done more to evaluate and practice our grammar in class. 5

She was extremely dedicated and gave me the opportunity to practice in a comfortable and supportive setting.

Very helpful when I needed help and cares a lot about how students are progressing.

Great instructor, just a poorly organized course. There was also way too much homework than all other 4 credit courses.

The course was not well organized at all. The superset was not helpful and the lectures were not well planned in that students spoke very little and grammar was not sufficiently taught in class.
