1) Please comment on the instructor's teaching.

I liked her teaching. She tried to be as clear as possible when explaining things that were confusing.

2) Please comment on classroom activities.

They were sometimes a bit boring... I wish we could read materials out loud. I feel that would help people gain confidence when speaking.

3) Please comment on materials and organization of the course.

I personally do not enjoy reading novels, but it was necessary I guess.

4) Please comment on the work required in this course (writing assignments, tests, oral presentations, conversation groups, etc.).

Everything was straightforward.

5) Other comments or suggestions you would like to make.

Please make students read out loud in class. It would break the ice and make them participate more, for sure.
